2007 Open Mini-Circuit Awards**

The Southern Arizona Appaloosa Promoters is pleased to announce the winners of the 2007 Open Breed Mini-Circuit Horse Show Season as well as the club's Year-End Awards. Awards will be presented on December 15th in Sonoita at the home of AC Connolly. The Mini-Circuit Shows involved competition among all horse breeds and included all levels of riding ability. Sarah and Debby Neuman were Co-Chairs for these well attended shows. Mimi Salber and Mary Ann Miller were show assistants. Robert Morgan was our wonderful show Announcer. A total of 3 shows were sponsored during the year and eligibility for awards required showing at all 3 shows. The shows were held at the Rock Creek Ranch in Tucson and included halter, showmanship, equitation, English and Western pleasure, hunter hack, and trail classes. These shows attracted numerous horses from starting out to world champions. Competition was extremely tough and we congratulate the high point and reserve winners.

2007 Year End Awards**

The SAAP Year End Awards were awarded to the following contestants based upon criteria established by the Board of Directors and included in the official SAAP Rule Book. National point standings were utilized for the performance horse (in classes such as Junior and Senior Western Pleasure, Hunter under Saddle, Halter, Hunter-in-Hand, Hunter over Fences, and Games) and exhibitor (Non-Pro and Youth categories) awards. Points accumulated in other open breed horse shows sponsored by other organizations were required for the Open Show Champion award. Youth and Non-Pro contestants with the most points showing in non-SAAP sponsored horse shows throughout the year were eligible for this award.

The versatility of the Appaloosa is awarded in categories such as parade and specialty horse awards. Riders are recognized for their hours of riding (i.e. trails, exercising, ring work, etc.) during the year for a distance rider award. SAAP also selects a volunteer of the year award to show appreciation to a member who goes over and beyond the call of duty to the club. This award is most cherished and is selected by secret ballot of the membership.

The SAAP Board of Directors and Officers would like to express congratulations to the following Year End Award recipients:
